The Exhibition of the Students' Work from Six Design Academies of Mainland China

contents:

DesignEx'09 is focused on exploring young design talents from mainland China by introducing the public to more than 200 pieces of graduation work from students of six leading mainland educational institutes, namely Academy of Arts and Design of Tsinghua University, China Academy of Art, Guangzhou Academy of Fine Arts, College of Fine Arts of Shanghai University, Nanjing Arts Institute together with Cheung Kong School of Art and Design of Shantou University.

Through a display of the students' design works in areas as varied as product and industrial design, communication design, interior design and installation design among the others, viewers and visitors can understand not only the achievements of design education in the mainland in recent years, but also gain a deeper understanding of the creative minds of a new generation of young art students and emerging designers in the mainland about their passion for and interpretations of contemporary art and design amid the social and cultural repercussions brought forth by China's burgeoning economic development.

DesignEx'09 – 新青年: 中國內地六所設計學院學生作品展將展出超過二百多件畢業學生的作品，展示當代中國年青一代的設計才華。參與展覽的中國內地六所設計學院包括清華大學美術學院、中國美術學院、廣州美術學院、上海大學美術學院、南京藝術學院以及汕頭大學長江藝術與設計學院。

展品內容多元化，包括工業產品設計、傳訊設計、室內設計及裝置藝術設計等，讓大眾了解中國近年在設計教育方面的輝煌成果，並窺探當代中國年青設計師在中國經濟蓬勃發展大氣候下，透過設計來表達對現今中國社會文化發展及變化的看法和見解。
